YALE TRIUMPHED OVER BOSTON A. A.

U. of P. Had Little Trouble in Defeating the Dickinson Eleven—Many Football Games Played on Election Day.

The Elizabeth A. C. eleven met the Orange A. C. team on Orange Oval yesterday morning and after a hotly contested game neither side scored, retiring with honors even. Both teams had their strongest players in the field, and fully 5,000 spectators were on the grounds when Reinhardt kicked off for Orange.

The playing in the first half was very rough on both sides. Elizabeth tried to go around Orange's ends, but each time was tackled fiercely and was compelled to back the center with but poor success. Both sides did considerable punting. When time was called for the first half the ball was directly in the center of the field.

There was no change in the personnel of either team for the second half. Stillman kicked off for Elizabeth, but Brooke, the old University of Pennsylvania player, made a pretty catch and returned the ball to Elizabeth's 25-yard line.

The Elizabeths then tried to send Stillman through the center, but Orange had a line like a brick wall. Several times the Elizabeths lost the ball for holding and off-side play.

Orange tried desperately to make a touchdown, but his last attempt failed through the center. Fiedler finally got the ball back, with some magnificent interference, succeeded in carrying the ball to the 25-yard line before being downed. Orange could not, however, get it over.

Denise and J. Smith kept around the end and through center and had the ball on the twenty-yard mark when time was called.

SAILORS MADE A GOOD SHOWING.
The Elizabeth A. C. team, after having failed to score against the Orange eleven in the forenoon, returned home and faced a picked eleven from the North Atlantic Squadron on the Elizabeth field in the afternoon.

The game was splendidly contested, the boys showing up well, notwithstanding the fact that they had had but little opportunity to train. They kicked low and by several times the whole line back.

YALE HELD THE WHIP HAND.

At No Time Did the Boston A. A. Team Cause Apprehension to Old Eli.

New Haven, Nov. 3.—Yale defeated the Boston Athletic Association team here today in a well-played and exciting contest. More than 2,000 people watched the game, by far the largest crowd of the season. The score was 10 to 0. The Boston team, although making several fine runs and playing a good all-around game, at no time caused Yale much apprehension.

Yale was handicapped by the absence of Captain Murphy and Benjamin, and the injury of several of their players, but the good generalship of Fines and the excellent playing of the line made the victory easier than was expected. Yale played a kicking game all the while, but the Boston Athletic Association, though they kicked frequently, depended mostly on the running of their backs. Currie, who was injured rather weak at punting, did some of the best punting that has been seen on the Yale field this year.

VOTER'S HAPPY VICTORY.

Keene's Cold Celebrates the Day Appropriately—Sleepchase Results in a Series of Ghastly Accidents.

With music, crowd and excitement galore, and a season of butchery, the local racing season closed yesterday at Morris Park. The steeplechase furnished the butchery, free and independent voters the crowd, and Lander and his youthful rivals from the Catholic Protective at Van Nest the music. As for the excitement, almost every race was interesting, and the Morris Park Handicap brought about a two-handed struggle that set the crowd yelling. The attendance was decidedly the best of the season, and one of the best of the year. The race was won by the sterner sex in a large majority.

When John McGafferty's colors, embodying the colors of the Morris Park Handicap, were first seen, many wondered at the coincidence, but it was not half so striking as that of the sterner sex in a large majority.

MANY CYCLE CONTESTS.

Election Day Was Marked by Numerous Small Race Meets in Long Island and New Jersey.

Cycle racing yesterday enjoyed a successful ending despite the fact that it was election day. Thousands watched the contests held on Long Island and in New Jersey. The most notable event of the day was the breaking of the twenty-mile State road record, C. T. Earl doing the trick in the Kings County Wheelmen race at twenty-five miles.

Eighteen riders started in the twenty-five-mile handicap road race of the Kings County Wheelmen for the Wilson perpetual \$400 trophy. First place and time prize was won by Charles T. Earl in 1:13:47, and incidentally breaking the twenty-mile State record of 1:13:38, held by E. F. Leonard. Earl was leading the scratch men at this point and his time was 58:18. Over 2,000 people were present at the start near Valley Stream, L. I., and witnessed one of the most brilliant of the season between the four scratch men. The following is the order of finish:

C. T. Earl.....(Scratch) 1:13:37
C. M. Hendrickson.....(Scratch) 1:13:38

Just a dozen started in the fifteen-mile handicap road race of the New York Athletic Club, held on the Merrick road, and Edward Welch, with a handicap of 5 min. 45 sec., won the Citizen cup. The finish was somewhat mixed on account of the crowd, and the judges only succeeded in placing five men. Hurst, best of the crowd, won the race by several yards.

In the annual five-mile handicap race of the Young Men's Christian Association, of Brooklyn, over the Rockaway road, near Jamaica, L. I., the first place and time prize was won by F. W. Welch, of the Bedford Park Club, in 1:13:38, with a handicap of 2 min. 45 sec. E. F. Pinsky (2 min.), of the Central Branch, was second in 14 min. 45 sec. Adams (3 min.) was third, in 14 min. 45 sec. There were thirty starters, of whom twenty-five finished.

In the annual ten-mile road race of the Yorkville Wheelmen, contested on the Merrick road, with the start at Smith's Hotel, the first man to cross the line was F. W. Welch, of the Bedford Park Club, in 1:13:38, with a handicap of 2 min. 45 sec. E. F. Pinsky (2 min.), of the Central Branch, was second in 14 min. 45 sec. Adams (3 min.) was third, in 14 min. 45 sec. There were thirty starters, of whom twenty-five finished.

Over in New Jersey the best part of the day was put forth by the Riverside Wheelmen, who held their club events on the Guttenberg track. The five-mile championship was the race that attracted the most interest, and J. T. Beam scored over C. M. Ertz, the crack of last year. Beam, however, did little more this season. The summary:

One-mile races—Won by W. Dyer, 2:20.45. Second, F. W. Welch, 2:20.45. Three-mile races—Won by W. Dyer, 7:10.45. Second, F. W. Welch, 7:10.45. Five-mile races—Won by J. T. Beam, 14:45. Second, C. M. Ertz, 14:45. Ten-mile races—Won by J. T. Beam, 29:30. Second, C. M. Ertz, 29:30.

Two very serious accidents marred the ten-mile handicap race conducted by the Ironsides Wheelmen on the Hudson County Boulevard. The horse, too, was killed, and the crowd of the finishing point interfered with the riders. The Ironsides Wheelmen were knocked from their wheels, the former having an eye gouged by a stable hand, and the latter broken ribs. Barnett was taken to a hospital, but Barnes was removed to his home. W. N. Cable, of the Morris Wheelmen, was killed, and was disqualified on account of illegal practice.

Two clubs held forth on the Irvington Millbrook course, the Clinton Cycle Club, of Newark, and the Orange Cycle Club, of Orange. The Clinton events were interesting, and the summary tells the story.

Half-mile—Won by H. F. Varley, George Elise second, J. Metcalf, third, 1:02. One mile—Won by H. F. Varley, George Elise second, J. Metcalf, third, 2:10. Two miles—Won by H. F. Varley, George Elise second, J. Metcalf, third, 4:20. Four miles—Won by H. F. Varley, George Elise second, J. Metcalf, third, 8:40. Ten miles—Won by H. F. Varley, George Elise second, J. Metcalf, third, 17:20.

In the races of the Orange Club from Metcalf the mile handicap from scratch, and W. H. Denney, with an allowance of 15 seconds, captured the five-mile handicap.

Over the Westchester course, near Morris Park, the Harlem Wheelmen held a ten-mile event for the club championship. The finish was a close one, and the crowd was very large. The summary:

One mile—Won by H. F. Varley, George Elise second, J. Metcalf, third, 1:02. Two miles—Won by H. F. Varley, George Elise second, J. Metcalf, third, 2:10. Four miles—Won by H. F. LONDON TOOK A HAND IN THE BIG BETTING.

Half a Million Dollars Wagered There on Result of Our Election.

McKinley Was the Favorite, with Odds as High as Ten to One Offered.

On 'Change Business Was Practically Suspended, the Session Being Devoted to the Making of Bets.

Bryan Man Agreed to Have All His Teeth Pulled if McKinley Should Win, His Opponents Wagering Their Hirsute Adornments.

London, Nov. 3.—Most of the Americans who were sojourning in London returned home on board the steamers sailing within the last fortnight for the purpose of voting. Those who were unable to secure first-class accommodations contented themselves with second-class passage, and some of them went in the steerage rather than lose their votes.

Great interest is being taken in the election in London, and the Stars and Stripes and pictures of McKinley and Hobart abound in the American resorts.

There has been a good deal of betting on the result of the election, some of the bets being at odds as high as 10 to 1 on McKinley. It is estimated that \$500,000 in bets have been placed on the result.

Colonel Wilson, of Chicago, made a wager of \$1,000 every day that McKinley would be elected. The bet was taken by E. C. Fulton, a Chicago broker.

Many freak bets made. Besides the ordinary election bets there has been considerable freak betting. General Morgan, a Brooklyn silversmith, made a bet in which he engaged, in the event of Bryan's defeat, to have all his teeth drawn.

In the event of McKinley's defeat his opponents, four in number, agree to have their beards and mustaches shaved off.

The parties to the bet are under a penalty of \$500 each in case of failure to fulfil the terms of the wager, and articles have been signed and witnessed to that effect.

The West End hotels made special arrangements to post election bulletins this evening, and many of the clubs have made similar arrangements. Several prominent statesmen residing out of town remained in London over night in order to learn the result.

Betting on the Stock Exchange.
The Stock Exchange was the scene of unusual excitement to-day, more time being devoted to betting on the result of the Presidential election in the United States than in the conduct of legitimate business.
